

The Detroit River International Wildlife Refuge and
International Wildlife Refuge Alliance present...

Migratory Bird Patch Contest

Do you like to draw? Then YOU can help migratory birds!

Birds need "rest stops"
as they move from their
winter to summer homes
and healthy places to
live.

Patch Theme: What can YOU do to make sure birds
can find these natural places free of pollution, with good
food, and lots of open space.

Last year, winner Christopher Mihai's idea became the official patch.
This year it could be yours!!

For contest rules & entry forms, visit www.iwralliance.org or call
734 692-7649. Grades K-5 eligible, submissions due by 4/1/10.
